

## **Public Meeting Announcement**

**Washington State Parks invites the public to discuss a proposal to develop a mountain bike trail in Moran State Park**

**July 21, 2014 in Eastsound**

The Washington State Parks and Recreation Commission is holding a public meeting on Orcas Island to discuss a proposal to develop a mountain bike trail in Moran State Park.

**Meeting Details:**

6 to 7 p.m.

Monday, July 21

Eastsound Fire Hall Meeting Room

45 Lavender Lane

Eastsound, 98245

The public will have the opportunity to comment during the meeting, and by email.

Washington State Parks is looking at long-term management options at Moran State Park as Orcas Power and Light Cooperative (OPALCO) transitions away from the current utility corridor. Parks has received a proposal from Evergreen Mountain Bike Alliance for formal development of a trail that will follow the alignment of the power line corridor. The developed trail would use an existing trail and the power line access road.

For more information about the proposal, contact Andrew Fielding, environmental planner, (509) 665-4312.
